“ I was so sad to read about Joe's passing. I wish we could have spent more time with your branch of our family tree! My Dad doesn't get the Sunpaper but I did let him know. Not sure if you knew my sister Cheryl passed last year from cancer, and our cousin Laurie passed in 2015, also from cancer. My condolences to Rose, children, and grandchildren! “ Dear Aunt Rose & Family We are so sorry for the loss of Uncle Chubby. We will always Cherish the good times with him at all the family gatherings and especially at our wedding when he sang with my mother-in-law the Italian songs. He was a fun and loving Uncle. “ Dear Mrs. Rose and Family, I'm so sorry about the loss of Mr. Joe. I will miss him very much as he always made me feel welcome and part of the family. He had a kind spirit and a passion for life. He loved singing, dancing, and boating to name a few, but most of all, he loved his family. May the wonderful memories you have of him live on forever through your hearts. We are thinking of you and your family during this difficult time. Donna and Jeff Williamson

“ Aunt Rose, I am so sorry for your lose. I have couple memories I'd like to share. As a young girl you and Uncle Chubby would come to visit Dad. Each time I would always look forward to it because of all the stories they shared and I always enjoyed listening to him tell them. The way he laughed the way he smiled.... I can see and hear him now! My fondest memory by far was watching the two of you dance. I have never seen a couple dance like that! I was so young and it was so cool to watch the way you both would move! I have never seen anyone move like that on the dance floor. You two really could get the party started! I would sit back and watch him do the jitter bug and would be shocked at how quick he could move those feet. I'd watched him twirl you around. I loved to see him smile and especially hear the way he laughed. I can still hear his charming tone of voice and all the stories him and Dad would share. I know they had a falling out and I'm sorry for that. I still remember the day he came over to see him which was the last time. That day and still to this day I will always admire Uncle Chubby for his heart, his compassion, and his courage. I love you and Uncle Chubby you are forever in my heart Love little Mary Katherine Centineo (LiCalzi)

“ To the Dearest Dad, One of my fondest memories was sitting on your lap at Nanny's shore when I was a small child. You played the guitar and we both sang the Do-Re-Me song over and over. I was your baby and you were my dad and in those moments no one else existed for me. No matter what, we always took a family vacation to the seashore and you took all of us on the boardwalk rides. We also got to wrestle with you as kids on the living room floor, and had the fun balancing act of walking on your back from time to time when it ached from all the driving you did. To my utter delight, you surprised me with my first Beatles album and it wasn't even my birthday or Christmas. But most of all you loved our mother so immensely in a way that is just beyond words. How grateful I am to you Dad for that and for all the love you gave to us. I am missing you so much that my heart aches but in each passing day, I feel the ache subsiding and being replaced with your love and generous spirit. Your first baby girl, JoAnne
